THE GRAPHIC ART AND PHOTOGRAPHY WERE EXECUTED BY ALAN MORSE AND RICHARD WORTON IN FULFILLMENT OF THEIR THESIS.

PUBLISHED BY THE GRADUATING CLASS OF 1960

I shall ever be grateful to the members of this class for their generous and thoughtful assistance and encouragement and for having had the fortunate privilege of aiding in your constant and indispensable efforts toward the development of a college which is most important to so many people.

It is my sincere wish that you will have the opportunity to continue to take part in this and similar endeavors and receive the full measure of that quintessence of solace and peace of mind which is the invaluable reward of such efforts and is the prime essential for maintaining clarity of thought and a full life.

DEDICATION

This book is dedicated to our class advisors, Mr. Wild and Mr. Rogers, in appreciation for their ready and unselfish assistance.

Though their schedules are among the busiest of the faculty, they have always held their duties as class advisors with the highest regard.

We would also like to give special thanks to Mr. Ferguson for his fine work during his many years with the college and extend wishes for the best of luck and happiness in future years.
